**You've flown over  
3000 miles to get  
here...go the last  
few miles offshore**

The Fresh Catch of the day is worth the time..just be sure after voyaging over three

thousand miles to get here to make the time to have it served or caught on a voyage offshore the coast. Capt. Joe will be the first to tell you how beautiful the coast looks 2 miles out not to mention how pretty the fish are, let alone tasty. Most visitors have never enjoyed seafood as fresh as it is in Hawaii often within the day "off the hook." Paired with local fruits and herbs or pan seared as one of *Chef Peter Fosters* signature preparations, the

experience is worth sharing with friends and family. Or try Captain Chad's Phyllo Lemon Spinach & Feta Spanikopita with Opah surely to be savored aboard at sunset.

Every year the Sailing Club and Hawai'i Yachts orders, procures and delivers new yachts to our fleet. At this years Long Beach International Boat Show we began a program to initiate vessels in excess of 47 feet and above to the fleet. Hawai'i Yachts has delivered more new Sailing Yachts to Hawaii then even the Dealers in recent years, its worth spending some time with our captains to learn why. Largely our owners sail with us throughout Hawai'i and California, Illinois and Florida. They travel with us to International Boats Shows in Europe, Asia, and Mainland US to commission the most exciting Motor and Sailing yachts to host our guests in Hawai'i. No other yachting company has that track record, nor has sold as many new sailboats to Hawai'i in the past 5 years.*
